25YEAR MECHANICAL WARRANTY

530 Series Key in Knob Locksets

Description

The 530 series is designed as a non-handed, easy-to-install lockset. This high quality range is suitable for residential and semi-commercial applications including office partitioning.

Features and Specifications

Cylinder

- 5 pin tumbler mechanism
- Brass cylinder and brass barrel

Keying

Standard Keying

- Supplied individually keyed with two keys per lock
- 78,000 key combinations
- Key blank KB2015P

Restricted Special Keying

Lockwood locks can be keyed to a number of controlled and/or specially keyed systems. These range from legally protected keys to protect against unauthorised duplication, which can also include specially designed key systems such as master key systems, which allow for different levels of mechanical access control.

Product Details	
Backset	60mm standard backset. 70mm and 127mm latches available separately
Door Thickness	32 to 48mm (all functions except 534 which suits doors 32 to 45mm).
Finishes	Satin Chrome Brushed (**SC**)
Handing	Non-handed lockset
Latch	13mm projection brass bolt
